Agenda Items

Old Business: Lori and Mike Writz were present and commented that their roads have been relatively good this winter, but asked if the Board could have the plow operator make a wider swing with the blade in their area. Dave will discuss this with Oettinger. Also discussed was the safety situation at the intersection of Spring Dr. and Spafford Road. It was suggested that maybe the electric pole could be moved. Deb P. will contact someone from WPSC, to see what can be done.

New Business: Dave Brunette felt the town board should begin thinking about two new ordinances—one regarding snowmobile regulations in the township and the second for subdivision control. J. Fish, Clerk passed out samples from the Town of Newbold and the Town of Pine Lake. Board members should review the sample ordinances for further discussion at a future meeting.

Payment of Invoices | Bills were reviewed by the town board and accepted for payment. A motion to approve payment of all invoices was made by D. Brunette, seconded by D. Polinski. Motion carried.

Motion to adjourn at 8:35 PM
